

To Whom It May Concern:

I am happy to write this letter for Mrs. Cecilia Detrich. She has been an Art teacher at the Johnson School for one year. Mrs. Detrich is a very talented teacher and the students under her guidance have a clear understanding of basic principles of art. Our small school size only supports a one-day per week Art position.

Mrs. Detrich makes positive connections with the children and establishes a good class management style. She has developed a comprehensive program despite her limited time. Mrs. Detrich has always maintained very positive home/school connection as well.

Mrs. Detrich has an impeccable work ethic. She is committed to excellence, which is proven by the beautiful work her students produce at all levels. She is organized, professional and maintains a well-run classroom. Her students are always engaged in meaningful work.

Mrs. Detrich is always ready to go above and beyond what is expected of her. She willingly shoulders responsibility and works hard until the project or task is successfully completed. She is always willing to assist with a problem whether it is a concern about a students or an issue with curriculum. Her willingness to work hard towards a goal and her attention to detail would serve her well in any school district lucky enough to hire her.

Mrs. Detrich would be an asset to any faculty. I enthusiastically recommend her for any position for which she is being considered. Please do not hesitate to contact me at my office with any questions (781-581-1600).

Sincerely,
